

**RESOLUTION NO. 15
SERIES 2009**

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF GUNNISON,
COLORADO, ADOPTING AND ENDORSING THE CITY OF GUNNISON ENERGY
ACTION PLAN.**

WHEREAS, on June 2, 2009, the City of Gunnison Energy Action Planning Committee had presented a plan which sets goals to develop strategies designed to reduce the City's 2005 levels of greenhouse gas emissions by 20 percent by 2020 and reduce the City's 2005 levels of greenhouse gas emissions by 2050 to levels consistent with State priorities; and

WHEREAS, implementation of any action step will be accompanied with or preceded by appropriate educational efforts so that, first, citizens will understand the need for the things they will be asked to do; and second, will be enabled to invest energy savings positively in a more renewable and locally-reliant future; and

WHEREAS, the City will develop energy actions that are fiscally responsible within the context of the City budget, and that strive to employ local labor and resources in ways that improve the local economy and local government revenues; and

WHEREAS, the City will emphasize voluntary energy efficiency actions that are affordable for all income ranges, offer relatively quick return on investments, and keep energy money and jobs in the valley; and

WHEREAS, common challenges and opportunities are evident, in areas like transportation and waste;

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE
CITY OF GUNNISON, COLORADO, THAT:**

Section 1. The City will coordinate the City's energy action planning process with other energy action plans being developed in the valley.

Section 2. The City of Gunnison Action Steps are adopted and the Community Committee Action Steps are endorsed by this Resolution.

INTRODUCED, READ, PASSED, AND ADOPTED at a regular meeting of the City Council of the City of Gunnison, Colorado, held this 9th day of June, 2009.
